PROFESSIONAL EXPERIENCE

Policy Advisor, Montana Governor Brian Schweitzer Office – Duties include advising the Governor of the State of Montana on issues involving Montana families with an emphasis on state departments including Public Health and Human Services, Corrections and Industry and Labor. I serve as a point of contact for citizens including people with disabilities, women, Native Americans, and people with low-income. January 2005 – present.

Deputy Policy Director, Governor-elect Schweitzer and Lt. Governor-elect Bohlinger Transition Team - Duties included the development of campaign messages to a legislative and policy agenda for the Governor, assisting in proposed legislation review, assisting in the Governor's Office structure and responding to citizen correspondence. November 2004 – December 2004 (On-leave from CSKT)

Director, John Kerry's Presidential Campaign Native American Outreach - Duties included the development and implementation of a three-prong strategy during the 2004 presidential campaign, which were bringing John Kerry to Indian Country, bringing Indian Country to John Kerry and finally ensuring that every Native American voted and every Native American vote counted. To implement the Native American strategic plan required involvement in all aspects of the national campaign including policy development, speech writing, media and message design, event coordination and outreach to Native Americans and tribal leaders across the country. In addition, developing the first national Democratic Party training for Native American field staff in battleground states and oversaw the implementation of their state-by-state programs.

June 2004 – November 2004 (On-leave from CSKT)

Director, CSKT Tribal Administration Office of Support Services – Duties include the oversight and management of the Tribal Information Technology Program, Facilities Maintenance Program, Char Koosta News, Kicking Horse Job Corps Center and centralized administrative functions including state/federal lobbying efforts, special projects and efforts in CSKT participation in Self-Governance. August 2002 – January 2005.

Program Analyst, CSKT Tribal Administration - Duties included coordinating the CSKT's efforts in Self-Governance, special projects or assignments and assisting with internal evaluation. Responsibilities include coordinating the Tribes' BIA and IHS pre-negotiation and negotiation activities, being an active member of the CSKT negotiation team, providing follow-up effort on issues discussed during the negotiations and assisting with the implementation. July 1994 – August 2002.

Health Systems Planner - Duties included the coordination of the consolidation of the CSKT health care delivery system. Through P. L. 93-638 Title III - TRIBAL SELF-GOVERNANCE DEMONSTRATION PROJECT and the activities required to move from a P.L. 93-638 Contract to a Self-Governance Compact with the Bureau of Indian Affairs (BIA) beginning in Fiscal Year 1004. September 1993 – July 1994.

ASAP/Social Services Administrator - Duties included the supervision of P.L. 93-638 contract between the CSKT and the BIA to provide foster care, child protection services, general assistance and trust management including supervision of a contract with the State of Montana for Title - IV E Foster Care Services. These duties were in addition to the ASAP Administrator duties. September 1991 – September 1993

ASAP Administrator - Duties included oversight, management and supervision of the CSKT Alcohol and Substance Abuse Program (ASAP) including the administration of a Public Law 93-638 contract between IHS and the Tribes, a state contract and grants from other funding agencies. The program provided comprehensive substance abuse services throughout the complete continuum of care under a community based philosophy. June 1984 - September 1992

Academic Supervisor/Curriculum Development Specialist - Duties included the supervision of the academic staff providing guidance on class schedules and other functions for the academic staff at the Two Eagle River School (TERS), curriculum development for the academic programs and the development of Tribal history and government courses and oversaw the Northwest Association of Schools and Colleges self study for School's accreditation. Academic year August 1982 – July 1983

Instructor - Duties included developing, implementing and evaluating a four-year language arts curriculum including a tracking system for TERS Academic year August 1980 – July 1982

Instructor/Tutor/Counselor - Duties included academic instruction, recreational

activities and personal support to Native American high school youth participating in the University of Montana's Upward Bound Program. Summers 1979- 1983
